## **EXPERIENCE:**

---

**Franklin Lackee, DDS, Middletown, NY (2023-present)**

*Dentist*

- Comprehensive dental care provider for private practice office in Middletown, NY

**Care for the Homeless, Bronx, NY (2018-2023)**

*Lead Dentist*

- Dental provider for Care for the Homeless, a non-for profit organization that serves the homeless population of all five boroughs of New York City
- Oversaw logistical aspects of the clinic and our dental team such as optimizing schedules and supplies, as well as reporting to the Chief Medical Officer for clinical strategies and grant proposals
- Secured grant to expand dental services to include a portable dentistry to go to sites that do not have dental facilities and provide treatment
- Oversaw rotating dental students treating patients for comprehensive care.

**New York University College of Dentistry – Cariology and Comprehensive Care Department (2016- 2023)**

*Adjunct Clinical Instructor*

- Part-time faculty member, assisting students in simulation laboratory with restorative, prosthodontic, and endodontic assignments.
- Oversaw students who attended rotations at Care for the Homeless Clinic twice a week as NYU faculty.

**CUNY Hostos Community College - Dental Hygiene, Bronx, NY (2021-2023)**

*Adjunct Assistant Professor*

- Part-time faculty member assisting dental hygiene students with patient care

**Health Resources and Service Administration, Division of Independent Review**  
*Grant Reviewer (2022-present)*

- Participated in grant review for predoctoral training for oral health professionals

**Washington Dental Associates, Bergenfield, NJ – (2017- 2018)**

*Associate Dentist*

- Worked as one of three associate dentists, responsible for comprehensive care of patients as well as treatment planning with hygienists to provide for patients.

**County Dental Offices, Suffern and New City, NY – (2016- 2018)**

*Associate Dentist*

- An associate dentist at a large group practice, focusing on comprehensive care and directing overall treatment between myself and our specialists.

**Bronx Lebanon Hospital General Practice Residency – (2015-2016)**

*GPR Resident*

- Completed a residency at Bronx Lebanon hospital, consisting of providing comprehensive care for patients, along with rotations through endodontics, periodontics, oral surgery, pediatrics, orthodontics, as well as on call responsibilities.

**LEADERSHIP, AWARDS AND SERVICE:**

**Recipient of the Dr. Michael Apa Scholarship at the CUNY School of Public Health & Health Policy**

- One of ten awardees for a full scholarship for a Masters of Public Health with a commitment to emphasize population oral health, especially in New York

**Recipient of the New York City Providers of Healthcare for the Homeless Hero of the Year Award (2019)**

- Elected by my peers as the person in our entire organization who most represents being a “champion for commitment to provision of care, caring, compassion, acceptance, and understanding for each person served”.

**World Mission Partners Outreach, Dominican Republic (July 2017)**

*Volunteer Dentist*
