ABOUT TOURO COLLEGE OF DENTAL MEDICINE

Touro College of Dental Medicine at New York Medical College (TCDM) is preparing students for exciting and rewarding careers in dental medicine. Students are being trained in the most current and technologically advanced techniques in a new state-of-the-art educational, simulation and clinical facility. As the first dental school to open in New York State in almost 50 years, TCDM is positioned to become a leader in dental education and oral health care.

Located on the New York Medical College (NYMC) 54-acre campus in Valhalla, NY, TCDM offers the benefits of a modern facility with exceptional faculty. TCDM is supported by the considerable resources and expertise of NYMC’s School of Medicine, Graduate School of Basic Medical Sciences and School of Health Sciences and Practice — all within an hour of New York City.

About the Touro College and University System

Touro is a system of non-profit institutions of higher and professional education. Touro College was chartered in 1970 primarily to enrich the Jewish heritage, and to serve the larger American and global community. Approximately 19,200 students are currently enrolled in its various schools and divisions. Touro College has 30 campuses and locations in New York, California, Nevada, Berlin, Jerusalem and Moscow. New York Medical College; Touro University California and Touro University Nevada; Touro University Worldwide and its Touro College Los Angeles division; as well as Hebrew Theological College in Skokie, Ill. are separately accredited institutions within the Touro College and University System.
