1994 - 1997	American Student Dental Association
1994 - 1997	Delta Sigma Delta

MAJOR ADMINISTRATIVE RESPONSIBILITIES

University of Tennessee Health Sciences Center College of Dentistry

2024 – Present	<p>Interim Associate Dean of Clinical Affairs Provide leadership and oversight of Clinical Affairs at the College of Dentistry, including working with the Department Chairs and all clinical faculty within the Office of Clinical Affairs on clinical operations, development and implementation of rules, regulations, policies and procedures associated with clinical operations in conjunction with appropriate administrative and faculty personnel; participate in budget planning for the Office of Clinical Affairs; ensure staffing, equipment and funding allocations are adequate to ensure fulfillment of the College of Dentistry’s mission requirements; serve as the chief advisor to the Dean in all matters related to Clinical Affairs at the College of Dentistry; responsible for leading clinical aspects of preparation for CODA accreditation.</p>
2022 – 2024	<p>Interim Chair, Department of General Dentistry Work with course directors and program heads within the department to facilitate innovation in pre-clinical and clinical education, review course content and objectives to ensure uniformity and compliance with university/dental school/accreditation standards, ensure integration and coordination of curriculum within the department, ensure implementation of assessment outcomes, responsible for assessment and monitoring of 43 faculty members, development and monitoring of annual budget for department, development of accreditation documents.</p>

2021 – Present

Group Practice Leader

Supervise 3rd and 4th year dental students in achieving competency in general dentistry, assign patients to students based on screening evaluation and student needs to achieve competency, assess student competence to provide independent patient care, and assist all 4th year predoctoral students with their preparation for clinical boards. Additional administrative responsibilities include development of QA/QI program for the College of Dentistry including Standards of Care, metrics, and benchmarks, improvement of the College of Dentistry's screening/patient assignment system to improve efficiency in matching patient clinical needs to appropriate students for achieving competency.

East Carolina University School of Dental Medicine

2017- 2020

Associate Dean for Clinical Affairs

Provided leadership and oversight of Clinical Affairs at the School of Dental Medicine, including working with the Clinic Manager and Clinic Administrator, Department Chairs and all clinical faculty within the Office of Clinical Affairs, on clinical operations, developing and implementing rules, regulations, policies and procedures associated with clinical operations in conjunction with appropriate administrative and faculty personnel; provided direct supervision for the Director of Patient Screening, Director of Ross Hall Senior Practice (CSLC-Ross Hall), Clinic Manager, Clinic Administrator and Electronic Health Record Manager; worked closely with the Office of Dental Education and Informatics and the Assistant Dean for Student Success in the development, refinement, and implementation of the clinical aspects of the curriculum; participated in budget planning for the Office of Clinical Affairs; ensured staffing, equipment and funding allocations were adequate to ensure fulfillment of the School of Dental Medicine's mission requirements; served as the chief advisor to the Dean in all matters related to Clinical Affairs at the School of Dental Medicine; responsible for leading clinical aspects of preparation for CODA and AAAHC accreditation; provided support for the school's eight Community Service Learning Centers (CSLCs) located throughout the state including quality assurance/quality improvement, risk management, patient complaints, sterilization, clinic processes and procedures (SOPs), inventory support, billing and coding and environmental health and safety support, event reporting and patient follow-up.

2016 - 2017

Interim Associate Dean for Clinical Affairs

Provided leadership and oversight of Clinical Affairs at the School of Dental Medicine, including working with the Director of Clinics and Department Chairs and all clinical faculty within the Office of Clinical Affairs, on clinical operations, developing and

implementing rules, regulations, policies and procedures associated with clinical operations in conjunction with appropriate administrative and faculty personnel; provided direct supervision for the Director of Clinics, Central Sterilization Supervisor, Central Supply Supervisor, Pre-Clinical Lab Coordinator, Quality Assurance Director, Clinical Nurse and all Clinical Affairs personnel, including dental assistants, dental hygienists, dispensary clerks, Patient Care Coordinators, Patient Representatives and sterilization staff; worked closely with the Office of Dental Education and Informatics and the Assistant Dean for Student Success in the development, refinement, and implementation of the clinical aspects of the Curriculum; participated in budget planning for the Office of Clinical Affairs; ensured staffing, equipment and funding allocations were adequate to ensure fulfillment of the School of Dental Medicine's mission requirements; served as the chief advisor to the Dean in all matters related to Clinical Affairs at the School of Dental Medicine.

2015 - 2017

Director of Clinics

Worked in conjunction with the Associate Dean for Clinical Affairs (ADCA) to provide leadership and oversight for Clinical Affairs, duties included: ensuring smooth operation and staffing of clinics, day-to-day management and operation of Ross Hall clinics, establishment and enforcement of clinic standard evaluations, responding to patient complaints, quality assurance/quality improvement, budget planning, and compliance with federal, state and local agencies.

University of Kentucky College of Dentistry

2012 - 2015

Assistant Dean for Predoctoral Clinical Operations

Provided leadership and oversight for all aspects of clinical operations in the DMD clinic including compliance with federal, state and local agencies; budget, patient scheduling, student clinic rotation scheduling; maintaining compliance with the Commission on Dental Accreditation (CODA) standards; creation of Standards of Care and ensuring accordance with these Standards of Care; quality assurance/quality improvement, patient grievance and risk management; utilization of electronic health record (axiUm) including implementation of new modules and training for the faculty and staff; patient screening, clinic productivity evaluation, supervision of four clinical Team Leaders, and chief advisor to the Dean on all aspects of clinical operations related to the DMD clinic.

University of Missouri-Kansas City School of Dentistry

2008 - 2012

Director of Quality Assurance

Provided leadership and oversight of all quality assurance/quality improvement activities in the School of Dentistry including ensuring compliance with all federal, state and local agencies for all students,

faculty and staff in the School of Dentistry (SOD); collection, analysis and trend evaluation for all standards of care at the SOD, and creation of interventions to bring areas not in compliance back to desired benchmark, oversight of all aspects of the screening clinic, preparation of predoctoral students for their clinical licensure examinations, including instruction of the board preparation class, provided instruction in clinic and preclinical areas of the curriculum, provided guidance in clinical and preclinical areas of curriculum to maintain accreditation status with CODA, including preparation of clinical areas of self-study document and meeting with site visitors during accreditation.

MAJOR TEACHING RESPONSIBILITIES

Courses Directed

University of Tennessee Health Sciences Center College of Dentistry

2023 – Present	<i>Operative Dentistry Clinic III</i> Director
2023 – Present	<i>Operative Dentistry Clinic IV</i> Director
2022 – Present	<i>Practice Management II</i> Co-director
2022 – Present	<i>Professionalism</i> Co-director
2022 – Present	<i>Jurisprudence</i> Co-director

University of Kentucky College of Dentistry

2013 - 2015	<i>Management II: Patient Communication (CDS 823): 26 hours</i> Co-directed and coordinated course sessions, participated as discussant and graded assignments for the course, which implemented the use of evidence-based dentistry, requiring the students to prepare critically appraised topics (CATS); piloted relative value units (RVUs) in this course, which evaluated student clinical productivity.
-------------	---

University of Missouri-Kansas City School of Dentistry

2008 - 2012	<i>Review of Clinical Dentistry (DENT 6600): 16 hours</i> Co-directed and coordinated course sessions, participated as discussant and graded assignments for the course, which was a
-------------	---

summative review of the basic areas of clinical dentistry.

2007 - 2008

Occlusion IV (DENT 6610C): 16 hours

Directed and coordinated course sessions for the course, which consisted of fabrication of occlusal guards for patient care.

2007 - 2008

Grand Rounds I (DENT 6502): 16 hours

Directed and coordinated course sessions, participated as discussant, and graded assignments for the course, in which students developed and presented oral reports such as case presentations, table clinics, research reports or presentations of new techniques, expanding their basic knowledge of critical review of scientific literature and information literacy. Cases and problems in dentistry and oral health were the context for identification and application of current valid scientific literature, and this course sought to foster critical analysis skills and a commitment to life-long learning.

2007 - 2008

Ground Rounds II (DENT 6602): 16 hours

Directed and coordinated course sessions, participated as discussant, and graded assignments for the course, which was a continuation of the Grand Rounds I course. Students presented a Table Clinic at the Midwest Dental Conference and prepared a proposal for their senior Grand Rounds presentation.
